PRESS RELEASE

CLUTCH GAMING ANNOUNCES PARTNERSHIP WITH TWITCH

Clutch Gaming has announced today a partnership with social video service [Twitch](#). The partnership will bring exclusive Clutch Gaming video-on-demand content to the social video service.

"It's an exciting day to announce our partnership with Twitch. Cody, Kendra and the rest of the Twitch staff have been amazing partners for many organizations and we couldn't pass up the opportunity to work with them to grow the Clutch Gaming brand," said Sebastian Park, Director of esports Development, Clutch Gaming. "Expect to see all sorts of experimentation with the intent to showcase different sides of our Clutch Gaming players and organization!"

"Clutch Gaming has been riveting to watch given the impressive skills they've shown during their inaugural season," said Cody Conners, Partnerships Manager, Twitch. "With our new exclusive Partnership, it ensures esports fans from all over the world will be able to see them in action, making this an exciting time for the Twitch community."

About Clutch Gaming

[Clutch Gaming](#) is an esports organization owned by the NBA's Houston Rockets. The organization takes part in the North American League of Legends Championship Series.

About Twitch

[Twitch](#) is the world's leading social video service and community for gamers. Each day, millions of community members gather to watch, talk, and chat about shared interests. Twitch's video service is the backbone of both live and on-demand distribution for all types of content, including the entire video game ecosystem, the creative arts, vlogging (IRL), and more.
